

**MANGA** is a non-profit scanlation group bringing you high-quality unlicensed manga. All of our releases are labors of love for the gear fan community intended to make available titles that would be otherwise unattainable. We **STRONGLY** encourage readers to buy the US releases in order to support the growing gear industry and remind you that nothing is as good as the real thing (be it manga or chanko-ya! hehe)

Please also remember that these scanlations are intended for **PRIVATE** use only!
